INFORMATION BULLETIN # 2009-04-IN

August 25, 2009

TO: MHA – Presidents, Administrators, Registrars

FROM: Don Taylor, VP Competitive

SUBJECT: Pre-Registration, Rostering, Exhibition Games, Game Numbers

The office has received several questions regarding pre-registering/rostering, exhibition games and tryouts. Please note that the website is still being updated with regards to the contact list.

All VIAHA games (Island League, Atom Development, Female, South and Mid) must have a game number that is assigned by the Managing Director, Atom Dev Commissioner, South or Mid Commissioners (or South and Mid VPs). This includes exhibition, placement, league, tournament games.

Everyone is planning their rep tryouts and may want to have some pre-placement exhibition games to help determine who makes a rep team. This pool could be quite large. If the team wishes to play an exhibition game with another association, complete with referees, they must:

1. Pre-register the players on HCR and send this HCR list to the Managing Director/Commissioner/VP
2. Request a game number from the appropriate Managing Director/Commissioner/VP
3. After the game, email your Game Report and send your game sheet to the Managing Director, etc.

You cannot play an exhibition game with another association without the District's approval.

You are allowed to scrimmage within your association without referees and no game number and your association will manage these.

You cannot use APs from a recreational team nor roster them on the team roster on HCR till October 7th.

Remember that if an Association has two teams in that division, then they may AP and use players from the second team on their first team after that player has played their first game with the second team.
(ie): Bantam B player may affiliate to Bantam A and play with Bantam A after they have played their first game with the Bantam B team.

If you or a team official has any questions, please contact one of the following people below and they will be happy to answer them:

Atom Development - Leslie Heinio (250) 748-0764

PeeWee Managing Director - Sharon Cairns (604) 483-9402

Bantam Managing Director - Anne Dumonceaux (250) 956-3770

Midget Managing Director - Cora Hoover (250) 477-8409

South VP - Barb Norton (250) 743-1685

Mid Island VP - Deb Turney (250) 468-7459

North VP - Roy Carter (250) 923-5808 (for recreational games played between Comox Valley, Campbell River, Gold River, Powell River and TriPort)
