INFORMATION BULLETIN # 2009-07-IN

September 2009 - URGENT

TO: All MHA Presidents, MHA Registrars, Island League Teams

FROM: Don Taylor, VP Competitive

SUBJECT: Island League/Atom Development Rosters for Placement Games

FIRST Deadline: Wednesday, September 23, 2009

To participate in the placement games starting the weekend of September 26/27th, all teams must adhere to BC Hockey Regulation 2.15:

2.15 All teams entered in competition leading to a BC Hockey Championship must register all players and team officials on Hockey Canada Certificates that have been duly validated by the Branch Executive Director for the current season prior to competing in any League or Championship game.

There must be a minimum of 11 skaters and 1 goalie (total of 12) rostered on teams in the HCR by September 23, 2009. Team officials (coaches and assistant coaches) and a valid HCSP must also be on the HCR by September 23, 2009. Copies of the HCR rosters must be sent to the applicable Managing Director prior to the first placement game.

If you have 2 teams in the same category registered, then your 1st team may AP from the 2nd team. Your second (2nd) team in category will not be able to AP recreational players until October 7th (and these recreational players must be rostered on a recreational team at that time).

Only players and team officials that are rostered on the HCR on teams are allowed to participate in placement and/or league games (includes Atom Development).

October 7th: District defined date to roster recreational affiliate players (VIAHA Reg 5.12). You cannot AP recreational players prior to this date and they must be on a recreational team on the HCR.

**Do not forget that every time a roster change is made, a copy will have to be sent to the applicable Managing Director/Atom Commissioner.
