

MEMORANDUM

August 3, 2011

TO: VIAHA Executive Committee and MHA's
FROM: Jim Humphrey, VIAHA President
COPY:
SUBJECT: Don Taylor in hospital

I would like to notify all that this past Saturday Don Taylor, our past VIAHA VP Competitive, suffered a heart attack and had to be admitted to Campbell River hospital. Yesterday he was transferred to the Royal Jubilee hospital in Victoria. At this time, the specialists are still undecided if they will put in a stint or a pacemaker. The latest update, Don will be transferred back to Campbell River hospital in the ICU unit later today.

Don's family has requested that as many of his hockey friends are made aware of his medical condition.

VIAHA have sent Don and his family our best wishes and will keep the hockey community apprised of his condition.

Jim Humphrey
VIAHA President
